

Design your 2Pages as one spread

Your two pages will appear next to each other in the printed magazine.

Design them together, but upload them as two individual B5 pages in one PDF file.

What you upload

Each page in your PDF must be 182 x 256 mm. The outer 3 mm on every side is bleed.

It will be cut off at the trim line, leaving a final visible magazine page of 176 x 250 mm.

1. B5 trim size: 176 x 250 mm per page.
2. Add 3 mm bleed on every side. Each uploaded page must therefore be 182 x 256 mm. The bleed will be cut off at the trim line.
3. Keep important text, faces and logos at least 10 mm away from the center fold.
4. Upload one PDF containing exactly two individual pages.
